

Students

Fundraising Activities

The objective of this policy is to provide the acceptance criteria and application method for soliciting gifts, grants and bequests conducted by booster clubs and parent organizations, district employees, and students of the Waterford Public Schools.

Students may engage in raising funds for school-sponsored activities, subject to the provisions of the regulations to be developed by the Superintendent. No such fundraising activities may involve door-to-door solicitation in the community by students.

The Board of Education will not be responsible for any fundraising activities that are not approved in accordance with the procedures set forth in this policy and the accompanying regulations.

Any fundraising activities must comply with all applicable state and federal laws and regulations, including those provisions relating to the sale of healthy foods and beverages on school grounds or at school-sponsored events.
