

## LTS AMNESTY DAYS 2018

In recognizing that some students may miss important deadlines on occasion and in the spirit of the season, the LTS office will offer a second chance program.

**Dec. 13 – Dec. 21 @ 2:30 PM**

During this time period students may hand in **FULLY AND ACCURATELY COMPLETED** paperwork from previous school years. It is recommended that students turn them in directly to Ms. Cairns but may also deposit them in one of the two LTS drop boxes. If students have any questions, they should contact Ms. Cairns prior to the deadline. Students may stop by her office in the Field House lobby (next to the band room) or email her at [acairns@waterfordschools.org](mailto:acairns@waterfordschools.org).

In an effort to prepare students for life beyond high school, the LTS program strives to promote accountability and responsible behavior. As such, the following will apply:

- This will be the **one and only** opportunity this school year for students to submit late paperwork.
- Amnesty Days late submissions must meet all other LTS project criteria. Please refer to the LTS website .
- All submissions are subject to LTS coordinator's final review and approval.
- LTS Amnesty Days may or may not be offered in the future, therefore there should be no expectation that this will be repeated in subsequent years.
- Only documentation that is fully and accurately completed will be accepted.
