

WHS Updates (8-28-23)

Dear Waterford High School Families,

I hope you have all made the most of the time you had off this summer, and that you are as ready as we are for the 2023-2024 school year to begin! Just like you, I always look forward to the start of a new school year and all the excitement and new potential it brings for all of us in Lancer Nation.

The first day of school is Wednesday, August 30, 2023. Students should report directly to their Advisory classroom by 7:25 am. If you are driving, please remember to give yourself plenty of time to park and be in school on time. We will have Advisory room assignments posted at both main entrances to the school for anyone who needs assistance that morning. There will be staff members to assist you in both locations. The school day this year will be the same as last year, from 7:25 am until 2:10 pm each day.

***SENIORS*** – *Even if you have “Senior Late Arrival” in your schedule, you still need to report to school by 7:25am on Wednesday, August 30 (first day of school) because we will be starting in Advisory class to go over new procedures and expectations for the 2023-24 school year.*

Enjoy the rest of your summer break, and make sure to do something great with the time you have left! We will see you in school on August 30.

- **First Day Bell Schedule on 8/30:** We will start the day in Advisory on Wednesday, followed by first block.
