

WHS Updates (9-22-23)

Dear Waterford High School Families,

Here are a few updates about what is scheduled for the next few weeks:

- **School Meal Accounts:** Due to a glitch in our new software, high school students were being charged elementary lunch prices (\$3.25). On Friday, September 15 these prices were corrected. Adjustments were made to accounts on Tuesday, September 19 to rectify the price difference. You will see a credit/adjustment and a new charge for each day on the [www.myschoolbucks.com](http://www.myschoolbucks.com) accounts. High School lunch is \$3.75. Sorry for any confusion and thank you for your patience as we try to adjust to this new software. To view student meal account activity you must have or create a [www.myschoolbucks.com](http://www.myschoolbucks.com) account. To create the account, you will need your child's student ID # and enter Waterford Bd of Ed as the district site.
- **WPS Device Protection Plan:** The district is only offering this device protection plan through Sunday, October 15. After this date, families will not be able to purchase this protection and will be responsible for the full cost of repair on your child's school issued device.
